-
1. Marshmallows are fluffy, and graham crackers crunch. You'd better go find this before your friends start to munch.

Chocolate

2. Roses are red, and poison oak is green. Where do we go when we want to get clean?

Showers

3. Some can be little, but most are quite tall. You should look all around the best one of them all.

Hidden at the base of a tree

4. When you camp out at night, you're always prepared. It's nice to have this in case you get scared.

Flashlight

5. Birds sleep in nests, and hives are for bees. When you're sleeping outdoors, you'll need one of these.

Sleeping bag

6. They're hard and could be under a tree. Look under the right one and see what you see.

Rock

7. Your next clue is hiding, and I won't tell you where. You should look under something that's all filled with air.

Air mattress

8. Potato chips are crunchy, and ketchup is red. Hot dogs are lonely if they don't have this bread.

Hot Dog buns

9. My hat is a lid, and my body is cold. I often hold water that's made in a mold.

Ice chest/cooler

10. I once saw a duck who said hello with a quack. You should search for a person who is in charge of the snacks.

Designate someone to hand over the next clue

11. Somewhere in this campsite you'll see something red. Is it this? Is it that? There's a clue up ahead.

Near something red

12. You could drink it, I guess, but it would sure make you sick. It's yellow and spicy and a little bit thick.

Mustard

13. It has no doors, and no carpet at all. You can't stand on top, and to get in you must crawl.

Tent

14. Eating outside is sure messy and fun. To keep ants off of this we clean up when we're done.

Picnic table

15. Swimming is awesome and fishing is too. Wear wear this stuff so you won't cook like a stew!
